Pacific Rim Real Estate Society Annual Conference
 Hobart, Tasmania, Australia
 12th-15th January 2025

PHD COLLOQUIUM

The colloquium is held face-to-face during the upcoming Pacific Rim Real Estate Society 31st Annual Conference on Sunday 12th January 2025 in Hobart, Tasmania, Australia

We would welcome PRRES Inc members encouraging their PhD students to register for the event which provides the opportunity for PhD students in Property related research, to present their PhD work-in-progress within a supportive environment.

PRRES is offering scholarships valued up to AUD\$1,500 available to full time PhD students at a University in the broad PRRES Inc catchment area (Pacific Rim area), and at least one of the supervisors must be a current financial PRRES Inc member. In addition, there are awards for PRRES Inc Early Researcher PhD Prize, and best PhD Presenter at the colloquium.

To present at the colloquium, students are required to submit a 3 page research summary with a 150 word abstract to Dr Wejen Reddy wejendra.reddy@rmit.edu.au by no later than the 15th August 2024, and register for the 2025 PRRES Conference by 31st October 2024. The acceptance will be notified before 30th September 2024. The registration fee for PhD students, is the same as the early bird conference rate registration.

The guidelines will be emailed to members, and information will be forthcoming on the PRRES Inc website.

12th-15th January 2025

SCHEDULED PANEL SESSIONS

PRRES CONFERENCE: 2025: PANEL SESSION

PROMOTION STRATEGIES FOR PROPERTY ACADEMICS

Chair: Graham Squires

Panel: Graeme Newell, Connie Susilawati, Jufri Marzuki

ABSTRACT

Getting promoted is an important aspect of the development of property academics' careers. PRRES has a key role in this area to assist property academics navigate the challenges and opportunities of being promoted. This panel highlights the key issues concerning property academics getting promoted in today's university environment; and relevant promotion strategies are identified. The panelists have a diverse range of promotion experiences and will draw on these experiences to highlight key issues in these promotion strategies. This panel will also provide an excellent opportunity for lots of Q&A around this key issue for property academics.

PACIFIC RIM PROPERTY RESEARCH JOURNAL

The editors of the Pacific Rim Property Research Journal (PRPRJ) are currently organising the second issue for 2024. They're seeking papers that investigate housing related research, industry operations such as agency, valuation practice, ESG and similar research topics. If you're wanting to have your work reviewed and published this year, email your paper to the editors at: editor@prres.org
