

The 33rd Annual PRRES Conference

Curtin University, Perth, Western Australia

17–20 January 2027

Save the Dates

The Pacific Rim Real Estate Society invites academics, researchers and industry professionals to the 33rd PRRES Conference in Perth, Western Australia.

Conference Focus

The conference welcomes research and discussion across real estate, property, planning, valuation, finance, investment, education and the built environment.

Incorporating

The Fourth Pacific Rim Regional Meeting of the International Academic Association on Planning, Law, and Property Rights — PLPR.

Peer Review

PRRES 2027 will offer double-blind review of full papers. Accepted refereed papers will be published on the PRRES Inc. website.

Abstract Submissions

The abstract and paper submission instructions will be announced with the forthcoming call for abstracts.

Conference Theme

Shaping the property futures of education, research, the professions and policy

Potential Topics

Housing economics and policy; green buildings and environmental policy; impacts of pandemics on the built environment; corporate real estate; asset, property and facility management; IT and real estate; international real estate; marketing and communication in property; market research, analysis and forecasting; PPF, PPP and infrastructure; performance and risk management; property development; property and urban economics; real estate finance and investment; property education; property valuation; real estate portfolio management; tax and legal issues in property; and special interest topics including big data, PropTech and the ageing population. Other topics broadly aligned with the property discipline will also be considered.
